

# Cost

## How do I evaluate the cost of a mosaic project?

Because every school has a different project with different size mosaics, different level of intricacy and a different number of little hands taking part, I can only give an idea of cost.

Below, you will see several examples of mosaic projects that I created with schools in the last 14 years.

### **Brookland Primary School - London - 3 m x 3m - £5500**

### **Gloucester Primary School - London - 31 shapes 3D - £3800**

**Immanuel and St Andrew Church of England school - London - Shape - £1200**

**Immanuel and St Andrew Church of England school - 4 tree shapes - 70 cm x 60 cm - £2500**

**Phoenix Primary School - London - Tree shape on carved wood - 1.80 m x 1.20 m - £2200**

**Sythwood Primary School - London - Wall panel (non-permanent indoor mosaic) - £2500**

**Bellbird Primary School - Cambridge - 7 slabs designed by the children and produced by Nathalie Vin - Each slab were 1m x 1m x 7 in total - £5000**

**Waltham Holy Cross Primary School - London - 1 day mosaic workshop creating 30 individual mosaics shapes - £800**
